

Comcast is experiencing significant outages in the Middletown area that are affecting Wesleyan telephone routing. Additionally, this outage has affected internet network service at a few Wesleyan buildings:

- 291 Main St (Advancement and Finance Departments)
- 37 and 45 Broad St. (Red & Black Café)
- Inn at Middletown

Members of the campus community have been notified of the situation, and Wesleyan ITS is working with Comcast to resolve the problem as soon as possible. The estimated time of resolution has been reported to be 5:30 p.m. **Public Safety is able to receive all emergency calls, and Middletown 911 service is not impacted.**
