Winter at Wesleyan

Happy New Year from Wesleyan! While spring semester classes won’t begin until January 26, there’s no lack of activity on campus. Winter athletic contests are underway, and many Wesleyan students are participating in Winter Session study and Winter on Wyllys programs. Off-campus, students are taking advantage of WEShadow externship opportunities around the country.

Housing Notes
All returning students are required to complete the housing selection process between February 5 and April 11. Wesleyan does not charge a housing deposit for the following year, as all students are required to reside on campus.

For those planning ahead, undergraduate housing closes at noon on Saturday, May 20. Graduating seniors may remain in their residences until Monday, May 29 at 4:30 p.m. Housing remains open during Spring Break.

Parents Fund

THANK YOU to the 513 parents who made a gift to Wesleyan as part of our Giving Tuesday initiative in November! That’s 214 more gifts than last year! With your support, we continue to make our way toward achieving our $1.6 million Parents Fund goal by the end of June. Your generosity in supporting all aspects of Wesleyan is greatly appreciated. GO WES!
