Please read the following information from the Office of Residential Life:

As you prepare for the Thanksgiving Holiday, remember to LOCK ALL DOORS AND WINDOWS whether you will be remaining on campus or leaving for the break! Also, please consider taking home your bikes and other belongings that you will not need through the winter. If you are staying on campus over the break period, remember to walk in well lit areas after dark, preferably in groups, and report suspicious people to Public Safety immediately at 860-685-3333 or x3333 from a campus phone line. Although the RIDE program will not be operating Thursday through Saturday, Public Safety will provide escorts for individuals upon request. Public Safety’s general phone number is 860-685-2345.

As you finalize your travel arrangements for the winter break, remember that the residential units will close for the fall semester at 12:00 noon on Wednesday, December 23, 2009. All residential units, with the exception of the wood frame houses, will close at this time. Students can return to campus at 9:00 am on Sunday, January 17, 2010.

There will be a limited number of employment opportunities for students looking for work on campus during winter break. Students wishing to do so must request housing with Residential Life by December 2, 2009. Requests should be made through the Winter Break web site at http://www.wesleyan.edu/reslife/ugrad_housing/winter_closing.html.

Please note: Housing is not guaranteed during the winter break period, students who are granted permission to live in their units during the break will be notified by December 11, 2009.

Thank you.
