

Dear Student,

In an effort to further advance our students beyond the classroom, Wesleyan University has partnered with EverFi to help students address critical life skills such as alcohol abuse prevention and sexual assault prevention. As part of our comprehensive prevention program for new students, Wesleyan requires you to complete AlcoholEdu and Sexual Assault Prevention. These online courses will empower you to make well-informed decisions about issues that affect your college years and beyond. **Failure to complete these courses will result in a hold being put on your registration.**

**To begin:**

1. Sign in to your Wesleyan Portal (WesPortal), click on the Student Information drop-down, and click on the AlcoholEdu & Sexual Assault Prevention link.
2. On the registration page you may be asked for additional information to complete the creation of your account. You will **not** need to create an additional username or password.
3. Click “Add a Course” in the top right corner of your dashboard to ensure you are enrolled in both AlcoholEdu and Sexual Assault Prevention. You are required to complete these two courses.
4. You may log in and out of the course at the end of each section. Section ends are marked with a “Next” button. ***DO NOT log out until you click the “Next” button or you will have to repeat the section you have just gone through.***
5. To log back into your account, you can access AlcoholEdu and Sexual Assault Prevention from your Wesleyan Portal or at [https://admin.fifoundry.net/wesleyan-univeristy/sign\\_in](https://admin.fifoundry.net/wesleyan-univeristy/sign_in)
