

## *Your Turn at the Wheel*

Below you will find some information about the supplies that you will be expected to have for this course, you will be able to purchase these from Wesleyan Potters at your first class.

Wesleyan Potters will have clay (\$30 per 25lb bag) and beginner tool sets (\$18 per set) available for students to purchase. They also sell tools that are more specialized, for any student who wants to dive in deeper.

The instructor suggests that students bring a towel, an apron and a small bucket with a lid (1 gallon) for their scrap clay.
