

# STARTING THE WRITING PROCESS

## BELIEVE IN YOURSELF!

Confidence is key! Remember, this is all a learning process. Perfection doesn't exist, but believing in yourself does!

## BRAINSTORM! CHECK YOUR BASES.

Do you have all you need to start your paper? What questions are you answering? Do you understand the prompt? Deep breaths! See where the holes are.

## START WRITING!

Start writing! Set intentions for this paper, and try to get a few pages down. Remember to break in between.

## CHECK IN WITH YOURSELF

Don't be too hard on yourself! Your first draft never has to be perfect. Finish a rough draft and reward yourself!
