Advisor approvals are required for all drop/adds. Please click on the Help link above for details.

Note: Music lessons, SLIP and less than one credit courses do NOT count towards the full credit course limit.

Pending Advisor Approval

A red row below indicates that the course will exceed the student’s credit limit. You might consider raising the student’s credit limit. All advisor approved add or drop requests will move to the Student’s Drop Add Transactions section the next day. Until then they will remain in the Pending Advisor Approval section.

EPC Statement Regarding First-Day of Classes

Educational Policy Committee Statement

PLEASE NOTE: The Educational Policy Committee of the Faculty has determined that unless registered students attend the first class meeting or communicate directly with the instructor prior to the first class (in writing, by email or in person), the instructor can drop a student from his/her class list.

Enrollment Request Statement

PLEASE NOTE: Students are encouraged to make use of electronic enrollment requests to express interest in a seat in a class that is full. Instructors will consult electronic enrollment requests to determine a student's eligibility when a seat becomes available. Students should remember that instructors will consider a variety of factors (e.g., class year, major and student interest) when offering a student a seat in the class. Whereas, students are required to attend the first meeting of a class for which they have registered, attendance at the first meeting of an electronically requested class is not required in order to maintain the enrollment request.
Preparing for Spring Pre-Registration

- Spring pre-registration will begin on November 1
- Students should make appointments with their advisors before the pre-reg planning period ends (Nov. 15 at 5)
- PLANS MUST BE FINALIZED
  - As an advisor, ideally you’ll reach out to students in advance to remind them to setup an appointment.
  - You are not obligated to finalize a plan for a student that did not discuss their plans with you.
Check out our Registration page on the Registrar's website.
Reach out to our team with any questions!
Feel free to email me directly with any questions you may have.
