Request for Reconsideration of the 2024-25 Financial Aid Award

You may request a reconsideration of your financial aid award if your family’s financial circumstances have changed significantly or if you have special financial circumstances that were not reported on your initial financial aid application. The Financial Aid Appeals Committee will review your request and respond to you in writing.

Please provide as much detail as possible to help us better understand your family’s financial situation.
Request for Reconsideration 2024-25

Substantial changes in 2023 income

• If your review request is based on a substantial change to your income in 2023, please include a copy of your 2023 federal tax return with your documentation. Please note: a reconsideration will not be possible until the 2022 federal tax return and accompanying income statements have been received. Please do not hesitate to contact the Financial Aid Office should you have any additional questions.

Substantial changes anticipated in 2024 income

• If your review request is based on a substantial change anticipated to your income in 2024, please note that a reconsideration would not be possible until Summer 2024. At that time, please include the supporting documentation as indicated above. Note: Your completed 2024 tax return will be due to our office no later than April 15, 2025.
• Changes to employment or income must be in effect for 3-6 months before a request for reconsideration can be submitted.

I certify that all information reported on this form is complete and correct as of this date. I realize that the Financial Aid Office may request additional documentation in support of any information provided here, and I understand that submission of this form does not guarantee an increase in financial aid.
