Accruals

- Year end accrual transactions would be required for an item that has been contracted for and will be received by June 30th, but the invoice paperwork will not be received in time to process the AP voucher(s) according to the year end deadlines.

- Common types of accrual requests:
  - Services performed but not yet billed.
  - Travel that occurs during June with documentation received in July.
Year End Accruals
Accounting Process

Departments have until June 28th to request accruals by emailing mmessier@wesleyan.edu.

*** Any expenses for goods or services received in FY 24 but not accrued by June 28th will become an invoice and an expense in FY 25 in Workday.
The request for accrual should contain the same information as a normal AP voucher:

- Vendor Information
- Smartkey/account to be charged.
- Amount of the accrual (best guess estimate)
- Description of the item (include as much information as possible)
- Authorizations to process the transaction. Use the published guidelines to determine what authorizations are necessary.
BUDGETS
Wesleyan has balanced its budget for 29 consecutive years.
Reports

- Inquiry Reports (Updated nightly)
  - Smartkey Summary
  - Smartkey/Account Subgroup Summary
  - Smartkey/Account Summary
  - Transaction Detail
  - Personnel Earnings Detail
Use Smartkey Summary for overall budget status. General guideline is:
- April Month-End = % spent should be approx. 83.3%
- May Month-End = % spent should be approx. 91.7%
- June Month-End = % spent should be approx. 100.0%

Drill down to Smartkey/Account Summary or Transaction Detail to research problem smartkeys.
Budget Checking/Warnings

- Budget Checking occurs at the level at which your department budgets (Attribute = KK Value)
  - TP = Program level
  - TS = Account Subgroup level (e.g., travel)
  - TD = Account detail level (e.g., airfare, lodging)

- Budget warnings (in yellow) indicate that there are insufficient funds for the po, voucher or journal entry at the level at which you budget.
  - You should transfer budget to fund the expense prior to submitting the po, voucher or journal.
  - Transactions with budget warnings may be allowed to be processed depending on the policy for your officer area

- Budget errors (in red) indicate that there are insufficient funds in the smartkey for the PO, Voucher or Journal
  - Transactions with budget errors can not be submitted to workflow
  - Budget will need to be transferred, or a different funding source will need to be identified, before the transaction can be processed
Budget Transfers

- Budget transfers are not reflected in WFS until they have been fully approved.

Deadlines

- June 27th – deadline for budget transfers to be fully approved.
Payroll Redistributions

- A payroll redistribution is a specialized journal to transfer payroll expenses.

**Important dates/deadlines:**

- June 7th – deadline for payroll redistribution prior to May 31st (90 day limit still applies)
- Final payroll for June will be reflected in Personnel Earnings Detail in WFS on July 4th.
- July 10th @ 12:00 pm – deadline for June payroll redistribution
- These deadlines are applicable for all funds (including grants).
Policies

- With the exception of certain faculty research smartkeys, the University does not carry forward unrestricted operating budget funds.

- Open purchase orders will not carry forward.
QUESTIONS
In June, a request was made for $500 to be charged to the department for the old fiscal year for services performed during June, but which will not be billed until July. This request has been approved by the departmental chair. Finance has notified the department that this entry will be accrued.
Accrual Example
Accounting Process and Entries

Accrual entries for old fiscal year via journal entry initiated by Finance based on email:

1) Debit/charge the departmental Smartkey.
2) Credit the accrual Smartkey.

</tr>
</tbody>
</table>
Accrual Example
Accounting Process and Entries

Accrual entries for **new fiscal year** via accounts payable voucher initiated by department:

1) Debit/charge the departmental Smartkey via the A/P Voucher.
2) Ad-hoc Susan Pavis into workflow and note “accrual”.
3) Finance will process a journal entry to debit the accrual Smartkey and credit the department.
