Frequently asked questions

Get helpful answers to some common questions

What if I don't have all the information on the checklist during the decision-making process?
If you need to leave the tool and return later, the tool provides you with a reference number of your visit. The tool can email your reference number to you, so that you have a record of it. Use this reference number to log back in and continue the decision-making process.

Can I go back and change my answers to the questions while in the tool?
Yes, you can make changes or review your responses while you’re using the decision support tool.

What happens after I have completed the decision-making process?
After you click Complete, you can either save or email a PDF of your selections, or print your selections for reference during your company’s Open Enrollment process.

Product availability may vary by location and plan type and is subject to change. All group insurance policies and group benefit plans contain exclusions and limitations. For costs and complete details of coverage, see your plan materials.
