Bringing Peace of Mind To Your Home, Family, and Workplace

The Paid Family and Medical Leave Act (PFMLA) offers Connecticut workers the opportunity to take time to attend to personal and family health needs without worrying about lost income.

The funding to support the CT Paid Leave (CTPL) program comes in the form of employee payroll deductions of one-half of one percent (0.5%) These payroll deductions begin January 1, 2021.

Covered employees become eligible for paid leave benefits beginning January 1, 2022.

Covered employees qualify for up to 12 weeks of paid leave benefits for the following reasons:

- Starting or expanding a family. For incapacity during pregnancy, two (2) additional weeks may apply.
- Personal or family health needs.
- Victims of family violence for relocation, court proceedings, support services, and professional care.
- To care for a family member who is injured while on active duty or to address specific issues relating to a family member’s call to active duty or active duty in the armed forces.
