Dependent children are covered to the end of the month in which they turn 26.

Delta Dental's Special Health Care benefit allows for enhanced benefits for members (adults & children) with special health care needs. Additional dental exams and/or consultations; up to four total dental cleanings in a benefit year and medically necessary treatment delivery modifications (including anesthesia and nitrous oxide) for patients with sensory sensitivities, behavioral challenges, severe anxiety, or other barriers. Members with a qualifying special health care need should advise their dentist that their group plan now offers this enhancement. Your dentist will then verify the additional benefits with Delta Dental.

Carryover MaxTM from Delta Dental allows you to increase your benefits. This valuable benefit feature allows you to carry over a portion of your unused standard annual maximum benefit limit into the next year and beyond.

Carryover Max allows you to carry over up to 25% of the unused portion of your standard annual maximum up to a maximum of $500. For example, if your standard annual maximum is $1,000 and you use $200, you can carry over $200 ($800 x 25% = $200).

To qualify for Carryover Max, you must receive at least one cleaning or one oral exam during the plan year. If you don’t receive a cleaning or exam, you won’t be eligible to carry over any of your benefit dollars to the following year. If you fail to do so, any accumulated carryover will be lost.

The accumulated amount can never exceed your standard annual maximum. Standard annual maximum dollars are used first. Carryover Max dollars are used after the standard annual maximum is met.

Delta Dental has two networks available under this plan. The Delta Dental Premier® network is the largest of the Delta Dental networks with over 351,000 participating dentist offices nationwide. Delta Dental PPOSM dentists offer the lowest fees of our networks.

You may use any fully licensed dentist under this plan, but it is to your advantage to use a network dentist, especially PPO, since they accept the Delta Dental allowance as their maximum charge and cannot bill Delta Dental patients for amounts above this level. Delta Dental PPO dentists offer the lowest fees of our networks.

Participating dentists will be paid directly by Delta Dental for covered services. Non-participating dentists will bill you directly, and Delta Dental may make claim payment directly to you. You will maximize benefits and reduce paperwork by using a Delta Dental participating dentist.

Please visit your Delta Dental website at deltadentalct.com for a current listing of participating dentists in any area.
