Words to know

This guide was created to help you make important decisions about your health care. Before you begin, we think that understanding certain words will help you better understand the choices you need to make. So here are some definitions of words and phrases that you’ll see in this guide.

**Deductible:** An annual amount you’ll pay out-of-pocket before your plan begins to pay for covered health care costs.

**Copay:** A preset amount you pay for your covered health care services. The health plan pays the rest.

**Coinsurance:** Your share of the cost of your covered services. The health plan pays the rest.

**Out-of-pocket maximum:** The most you pay before the health plan begins to pay 100% of covered charges. You'll still need to pay for any expenses the health plan doesn't count toward the limit.

**In-network:** Health care providers and facilities that have contracts with Cigna to deliver services at a negotiated rate (discount). You pay a lower amount for those services.

**Out-of-network:** A health care provider or facility that doesn't participate in your plan’s network and doesn’t provide services at a discounted rate. Using an out-of-network health care provider or facility will cost you more.

**Generics:** Generic medications have the same active ingredients, strength and dosage as the brand-name but often cost less.

**Preferred brand:** You’ll often pay more for a preferred brand-name medication than for a generic. Preferred brands may also have a lower-cost generic alternative available.

**Non-preferred brands:** These high-cost medications have lower-cost generic and/or preferred brand alternatives which are used to treat the same condition.

**Specialty medications:** These medications are used to treat complex medical conditions. They’re often injected or infused and may require special handling, such as refrigeration.
**Benefit highlights**

Cigna wants to help you choose benefits that fit your needs and help keep you healthy – body and mind.

This year, Wesleyan University Medical offers you the following:

› **Open Access Plus IN Plan (OAPIN)**
› **Open Access Plus Plan (OAP)**
› **Open Access Plus - High Deductible w/ HSA**

**As well as:**

› **Cigna Pharmacy**
› **Cigna Vision**

Your employer works with Cigna to offer you health plans that provide the coverage, tools and resources you need to help you take control of your health – and health spending.

› Compare costs, look at claims, search for health care providers, and more using the myCigna® website or app.
› Get 24/7/365 live customer service support.
› Save when using in-network providers.
› Take steps to maintain good health with annual wellness check-ups and screenings.
› Through virtual care, find help with minor medical or behavioral issues from board-certified doctors by video or phone.

Please read all of the information in this brochure. Health plans may work differently, so it's important to use this along with your other enrollment materials.

4. Cigna provides access to virtual care through national telehealth providers as part of your plan. This service is separate from your health plan’s network and may not be available in all areas or under all plans. Referrals are not required. Video may not be available in all areas or with all providers. Refer to plan documents for complete description of virtual care services and costs.
Options 1 and 2
Open Access Plus IN Plan (OAPIN) and Open Access Plus Plan (OAP)

These options provide coverage for medical care, including:
› Visits to your doctor’s office
› Hospital stays
› Behavioral health and substance use services
› Chiropractic treatment, physical therapy and other services

With the OAP and OAP In-network plans, you may pay an annual amount (deductible) before your health plan begins to pay for covered health care costs. Once you meet your deductible, you pay a set fee (copay) for covered health care costs and the plan pays the rest. For any services that have a copay, you will pay that copay amount at the time you receive the service regardless of whether your plan deductible has been met. That copay amount doesn’t apply to your plan deductible.

The amount you’ll pay for your health care costs is limited. Once you reach an annual limit on your payments (out-of-pocket maximum), the health plan pays your covered health care costs at 100%.

Important features:
› In the OAP plan, your costs will be lowest when you use the OAP network.
› In the OAP In-network plan, if you receive care outside of the OAP network, your care won’t be covered by your health plan (except in emergencies).
› You’re encouraged to select a primary care provider to help guide your care. It’s recommended, but not required.
› You can see a specialist without a referral, although precertification may be required.
› Certain in-network preventive care services are covered at no added cost to you.
› Access to Cigna’s national network of labs, x-ray and radiology centers.
› You’ll receive 24-hour coverage for emergency care, in- or out-of-network.
› No claim paperwork necessary when you receive care in-network.

See OAP highlights in Review Your Plan Options. Remember, this brochure is a guide only. Make sure to read all your enrollment information thoroughly, as plan details may vary.

Open Access Plus and Open Access Plus In-network plans are insured and/or administered by Cigna Health and Life Insurance Company or Connecticut General Life Insurance Company

HOW YOUR OAP AND OAP IN-NETWORK PLANS WORK

What’s covered: Your medical care and prescription medication. Certain in-network preventive care services are covered at no added cost to you.

You pay for covered services with personal funds, until you reach your plan’s deductible. Then, you pay a set fee + your health plan pays the rest of the cost. If you reach your plan’s out-of-pocket maximum, your health plan pays 100% of your costs for covered services.

This is how most plans work generally, but costs and coverage for specific types of services may vary under your plan.
Option 3

Open Access Plus - High Deductible w/ HSA

A Cigna Choice Fund® HSA combines a health plan with a compatible tax-advantaged health savings account (HSA). You can use your HSA to help pay for some of your covered health care costs. You can also use your HSA to pay for qualified covered health care costs not covered through your health plan such as dental and vision expenses. You decide how and when you spend your HSA dollars. With your health plan, you may pay an annual amount (deductible) before your health plan begins to pay for covered health care costs. Only services covered by your health plan count toward your deductible.

Once you meet your deductible, you pay a percentage of the cost (coinsurance) for your covered health care costs and your plan pays the rest.¹

You can choose to pay for your share of the health care costs up to the health plan’s out-of-pocket maximum by using your HSA, other personal funds or both.

The amount you pay out-of-pocket is limited. Once you reach an annual limit on your payments (out-of-pocket maximum) the health plan pays your covered health care costs at 100%.

You can take the HSA with you when you leave the plan, change jobs or retire.

Key benefits of choosing an HSA:

› You may contribute to your account, up to the current federal limit.
› You decide how and when to use the money in your HSA. Pay for qualified expenses during the year, save it for future health care needs or open an investment account.
› Your savings account earns interest, tax-free.¹
› You can take your HSA with you when you leave the plan, change jobs or retire.

Important features:

› You can select the health care providers you want to see – no referral is needed to see a specialist.
› Certain in-network preventive care services are covered at no added cost to you.
› You’ll receive 24-hour coverage for emergency care, in- or out-of-network.

See HSA highlights in Review Your Plan Options. Remember, this brochure is a guide only. Make sure to read all your enrollment information thoroughly, as plan details may vary.

1. HSA contributions and earnings are not subject to federal taxes and not subject to state taxes in most states. A few states do not allow pretax treatment of contributions or earnings. Contact your tax professional or accountant for information about your state.

2. If you go out-of-network your expenses may exceed the coinsurance amount because the doctor may bill you for the charges not covered under the plan.

Cigna Choice Fund plans are insured and/or administered by
Cigna Health and Life Insurance Company or Connecticut General Life Insurance Company

HOW YOUR ACCOUNT PLAN WORKS

| You pay for covered services with your HSA or personal funds. | Until you reach your deductible. Then, | you pay a set %. Your health plan pays the rest of the cost. | If you reach your health plan’s out-of-pocket maximum, your health plan pays 100% of your costs for covered services. | Your account goes with you when you leave the health plan, change jobs or retire. |

This is how most plans work generally, but costs and coverage for specific types of services may vary under your plan.

1. You can make contributions to build your balance, up to a calendar year maximum of $3,650 for an individual and $7,300 for a family in 2022. For 2023, the calendar year maximum is $3,850 for an individual and $7,750 for a family. Limits are set by the IRS. Employees who reach age 55 may make an additional catch-up contribution of $1,000. The maximum contribution allowed is determined by the number of months you are allowed in the plan during the year. Employer or incentive contributions reduce the maximum an employee can contribute by an amount equal to the contribution.

2. This is the most a family (employees plus covered family members) will pay for in-network out-of-pocket expenses. It's important to note that each individual family member's out-of-pocket costs are capped by the IRS at $8,700 for 2022 health plans, and overall family in-network costs are capped at $14,100. The out-of-pocket costs for people with individual coverage capped at $7,050 for 2022. To see examples of how this works, please visit www.InformedOnReform.com > Federal Regulations > Cost Sharing Limits, or Cigna.com/health-care-reform/embedded-oop-customer-impacts.

3. Please ask your benefits manager for details on when the contribution from your employer would be available in your account.

4. What you’ll pay after you meet your deductible. You’ll pay 100% of the cost until you meet your deductible.

5. Certain in-network preventive care services and well-childcare services are covered at no added cost to you. You have no deductible to meet for these services.

The information in this brochure is provided as a guide only. Make sure to read all your enrollment information thoroughly, as plan details may vary. If you need more assistance, contact Your HR Representative or or benefits@wesleyan.edu.

***Cigna provides access to virtual care through national telehealth providers as part of your plan. This service is separate from your health plan’s network and may not be available in all areas or under all plans. Referrals are not required. Video may not be available in all areas or with all providers. Refer to plan documents for complete description of virtual care services and costs.
Pharmacy benefits

Prescription drug list
The Cigna Prescription Drug List is a list of the generic and brand medications your plan covers. You can view your plan's drug list online at Cigna.com/PDL or on the myCigna App or website. You can also use the Price a Medication tool on the myCigna App or website to see how much your medication costs and if there are lower-cost alternatives available.

Pharmacy network
There are thousands of retail pharmacies in your plan's network. They include local pharmacies, grocery stores, retail chains and wholesale warehouse stores – all places where you may already shop. If your plan allows, you can use Express Scripts® Pharmacy, our home delivery pharmacy, to fill your prescriptions.

Every pharmacy in your plan's network can fill 30-day prescriptions, and a select number of pharmacies can fill 90-day prescriptions. To find an in-network pharmacy that's approved to fill 90-day supplies, go to Cigna.com/Rx90network.

Maintenance medications
You have the choice of filling the medications you take on a regular basis to treat an ongoing health condition in either a 30-day or 90-day (or 3-month) supply.

› Choose to fill a 30-day supply and use any retail pharmacy in your plan's network. You have the option of switching to a 90-day supply at any time.

› Choose to fill a 90-day (or 3-month) supply and use an in-network retail pharmacy approved to fill 90-day prescriptions, or Express Scripts® Pharmacy, our home delivery pharmacy. Having a 90-day supply means fewer trips to the pharmacy for refills and it helps keep you from missing a dose.

myCigna website and app tools and resources
Avoid surprises.
› Price a medication and search for lower-cost alternatives, if available

› See which medications your plan covers

› Ask a pharmacist a question

Stay organized
› See your pharmacy claims

› Update your personal profile

› Set up your communication preferences

Easily manage all of your prescriptions
› Order a refill, track order status or pay your bill online for home delivery prescriptions.

› View where and when you last filled your medications at retail pharmacies.

› Move your prescription from a retail pharmacy to home delivery with the click of a button.

› Connect to your online Accredo account to manage specialty medications.

Save with generic medications
Consider using a generic medication if one is available. Generic medications work in the same way and provide the same clinical benefits as their brand-name versions. Generic and brand-name medications have the same active ingredients, strength, dosage form, effectiveness, quality and safety. Generics typically cost 80% less than brand-name medications.

1. Customers under age 13 (and/or their parent/guardian) will not be able to register at myCigna.com. App/online store terms and mobile phone carrier/data charges apply.

2. Not all plans offer home delivery or Accredo as covered pharmacy options. Please log in to the myCigna App or website, or check your plan materials, to learn more about the pharmacies in your plan’s network.

3. You may be taking a medication that isn’t actually available in a 90-day supply. Certain medications may only be packaged in lesser amounts. For example, three packages of oral contraceptives equal an 84-day supply. Even though it’s not a “90-day supply,” it’s still considered a 90-day prescription.

4. Prices shown on myCigna are not guaranteed and coverage is subject to your plan terms and conditions. Visit myCigna for more information.

**WORDS TO KNOW**

**Generics:** Generic medications have the same active ingredients, strength and dosage as the brand-name but often cost less.

**Preferred brands:** You’ll often pay more for a preferred brand-name medication than for a generic. Preferred brands may also have a lower-cost generic alternative available.

**Non-preferred brands:** These high-cost medications have lower-cost generic or preferred brand alternatives which are used to treat the same condition.

**Specialty:** These medications are used to treat complex medical conditions. They’re often injected or infused and may require special handling, such as refrigeration.

The information in this brochure is provided as a guide only. Make sure to read all your enrollment information thoroughly, as plan details may vary. If you need more assistance, contact Your HR Representative or or benefits@wesleyan.edu.

Health plans provide coverage for most medically necessary services. However, there are certain services and supplies that may not be covered. See the "What’s Not Covered" section of this guide for examples of plan exclusions.
Vision plans provide access to one of the largest specialty networks of quality eye care—a mix of private practice eye doctors to nationally recognized retail optical stores.

When you choose one of the eye doctors in the Cigna Vision network, you'll get the most savings for covered services. You can also choose to see an eye doctor who is out-of-network; however, you'll have to pay the full cost of the service at the time of the appointment. Then you'll need to submit a claim form to get reimbursed for covered charges. Whether you choose a doctor in- or out-of-network, you'll also be responsible for paying any charges that aren't covered by your plan.

In addition to your vision plan coverage, check with your eye doctor to see if he or she participates in the Healthy Rewards® Vision Network Savings Program. This program is available to all Cigna Vision customers, and you can save 20% or more on additional eyeglass frames and/or lenses with a valid prescription.

## Important features:

- The Cigna Vision network is different from the networks supporting our health plans. You can choose your own eye doctor, but you'll save money when you stay in the Cigna Vision network.
- You pay your plan copay(s), any amount over the plan allowances and costs for non-covered services.
- No claim paperwork necessary when you receive care in-network.
- You may find additional savings if your eye doctor participates in the Healthy Rewards® Vision Network Savings Program.

Remember, this brochure is a guide only. Make sure to read your benefit summary for details of your specific vision plans. Plan details may vary.

1. Competitive landscape based on publicly available industry numbers found on company websites as of December 2017. Subject to change.
2. Your Cigna Vision plan coverage is based on the plan chosen by your employer. Be sure to review your plan benefit summary for details on covered and non-covered services. Plan deductibles, coinsurance, copays and materials allowances may apply.
3. Discount is based on retail prices. Healthy Rewards is a discount program and is NOT insurance. You are required to pay the entire discounted charge.

Vision plans are insured and/or administered by Cigna Health and Life Insurance Company or Connecticut General Life Insurance Company.

Take control of your health – and your health care costs.

Cigna health plans can help find the care you need and save on out-of-pocket health care expenses. Once enrolled, you also can find more affordable in-network providers and facilities by calling the number on your Cigna ID card or going to Find Care & Costs on the myCigna website or app.

Stay in-network and save

Network providers and health care facilities

Chances are, there’s a network provider or facility in your neighborhood. It’s easy to find quality, cost-effective care right where you need it.

Lower-cost labs

If you go to a national lab, such as Quest Diagnostics® or Laboratory Corporation of America (LabCorp®), you can get the same quality service and save money. Even though other labs may be part of the Cigna network, you’ll often get even bigger savings when you go to a national lab. And with hundreds of locations nationwide, they make it easy to get lab services at a lower cost.

Independent radiology centers

If you need a CT scan or MRI, you could save hundreds of dollars by using an independent radiology center. These centers can provide you with quality service like you’d get at a hospital, but usually at a lower price.

Colonoscopy, endoscopy or arthroscopy facilities

When you choose to have one of these procedures at an in network freestanding outpatient surgery center, you could save hundreds of dollars. These facilities specialize in certain types of outpatient procedures, and offer quality care, just like a hospital, but at a lower cost to you.

Know before you go

Convenience care clinics

When you need face-to-face routine medical care but can’t wait for an appointment, consider using a convenience care clinic.

You’ll get quick access to quality and affordable treatment, as well as routine immunizations. You can find convenience care clinics in grocery stores, pharmacies and other retail stores.

Virtual care available 24/7/365

MDLIVE® offers virtual care – by phone or video, whenever it’s convenient for you: MDLIVE board-certified doctors, dermatologists, psychiatrists and licensed therapists provide personalized care for many health needs in the privacy of your home, including:

› Preventive care, routine care and specialist referrals.
› On-demand urgent care for minor medical conditions.
› Prescription needs, if appropriate.
› Behavioral care for issues such as anxiety, stress, grief and depression.
› Dermatology care for common skin, hair and nail conditions.

Access MDLIVE by logging in to myCigna.com and selecting “Talk to a doctor.”

1. For illustrative purposes only. Actual covered benefits, costs and wait times will vary. Always consult with your doctor for medical advice, including prior to selecting another provider for care.
2. Cigna provides access to virtual care through national telehealth providers as part of your plan. This service is separate from your health plan’s network and may not be available in all areas or under all plans. Referrals are not required. Video may not be available in all areas or with all providers. Refer to plan documents for complete description of virtual care services and costs.
Virtual primary care through MDLIVE is only available for Cigna medical members aged 18 and older. Virtual dermatological visits through MDLIVE are completed via asynchronous messaging. Diagnoses requiring testing cannot be confirmed. Customers will be referred to seek in-person care. Treatment plans will be completed within a maximum of 3 business days, but usually within 24 hours.
This information is for educational purposes only. It is not medical advice. Always consult your doctor for examinations, treatment, testing and care recommendations. In an emergency, dial 911 or visit the nearest emergency room.
Cigna One Guide

Navigating health care can be complex and that’s why we make getting and staying healthy as easy as possible with Cigna One Guide®. One call or chat with our personal guides can help you make informed choices and get health and money-saving recommendations based on what matters most to you and this personalized support comes with your medical plan.

During the preenrollment period, you can call the One Guide team at 800.244.6224 for help with all your questions about available health plans and coverage. After enrollment, One Guide continues to offer ongoing support to help you:

**Understand your plan.**
- Know your coverage and how it works
- Get answers to all your health care or plan questions

**Get care.**
- Find the right doctor, lab or urgent care center
- Connect to health coaches and more
- Stay on track with appointments and preventive care
- Take advantage of dedicated one-on-one support for complex health situations

**Save and earn.**
- Maximize your benefits and earn incentives (if provided in your plan)
- Get cost estimates and service comparisons to avoid surprises
- Check account balances and claim activity to manage expenses

Once you have enrolled, start using Cigna One Guide support by registering on the myCigna® website or app, click to chat or by phone.

Cigna Total Behavioral Health

### Cigna Healthy Pregnancy App

The Cigna Healthy Pregnancy® app is another resource available to you. You can use this app to:

- Enroll in the Cigna Healthy Pregnancy, Healthy Babies Program.
- Click to call a Cigna coach or case manager.
- Learn about available incentives for program completion (if offered by your employer).
- Look up symptoms and learn about pregnancy health issues.
- Track your weight.
- Keep a list of things to talk about with your doctor, and set reminders.
- View educational videos about your baby’s weekly development.
- Connect with your baby with the Baby Boost relaxation tool.
- Get daily updates with important tips and inspirational quotes to stay positive and motivated.
- Link to Cigna benefits and resource pages.

Download the app now, available on Google Play™ or the App Store®.

1. Incentive paid after completion of post-partum call. Reward eligibility and type may vary based on plan offering. Incentive awards may be subject to tax; you are responsible for any applicable taxes.
2. The app is for educational purposes only. Medical advice is not provided. Do not rely on information in this app as a tool for self-diagnosis. Always consult your doctor for appropriate examinations, treatment, testing and care recommendations. In an emergency, dial 911 or visit the nearest hospital. The downloading and use of the app is subject to the terms and conditions of the app and the online stores from which it is downloaded. Standard mobile phone carrier and data usage charges apply.
Lifestyle Management Programs
If weight, tobacco or stress is affecting your health or your ability to live an active life, it may be time to make some changes. A health advocate can provide you with personalized support to help you:

› Learn to manage your weight using a non-diet approach that helps you build confidence, change habits, eat healthier and become more active.
› Develop a personal quit plan to become and remain tobacco-free.
› Understand the sources of your stress, and learn to use coping techniques to better manage stress both on and off the job.

Use an online or telephone coaching program – or both – for the support you need.
To learn more about our Lifestyle Management Programs please call us using the number in your enrollment materials.

Make myCigna your Cigna
Nothing is more important than your good health. That’s why there’s myCigna – your online home for assessment tools, plan management, medical updates and much more.

On myCigna you can:
› Find in-network providers and medical services
› View ID card information
› Review your coverage
› See how much your medication will cost you at the different pharmacies in your plan’s network.¹
› Manage and track claims
› Manage your home delivery prescription orders²
› Compare cost and quality information for providers and hospitals
› Access a variety of health and wellness tools and resources
› Sign up to receive alerts when new plan documents are available
› Track your account balances and deductibles

Use the myCigna App and access your account with just a fingerprint on any compatible device.³

1. These nurse advocates hold current nursing licensure in a minimum of one state but are not practicing nursing or providing medical advice in any capacity as a health advocate.
2. Not all plans offer home delivery as a covered pharmacy option. Please log in to the myCigna App or website, or check your plan materials, to learn more about the pharmacies in your plan’s network.

Health Information Line
The Health Information Line puts you in touch with a personal nurse advocate via chat or phone. They’re here to confidentially answer your health questions. This toll-free number is printed on the back of your Cigna ID card.

› Get information to help you decide where and when you should get treatment for your immediate care needs.
› Call if you need general health information or have a specific health concern.
› Chat is available Monday-Friday, 9:00 am - 8:00 pm EST, excluding holidays, via the myCigna website or App.
› Listen to hundreds of podcasts to help you stay informed about your health.

The Health Information Line is only available for medical and Cigna Dental Care (DHMO) plan customers.

³. Customers under age 13 (and/or their parent/guardian) will not be able to register at myCigna.com. App/online store terms and mobile phone carrier/data charges apply.
What’s not covered

Your benefit plan pays for health services that may help you stay well, treat illness or manage medical conditions, but all plans have exclusions and limitations. Following are examples of some services not covered by your employer’s medical plan, unless required by law.

› Services provided through government programs
› Services that aren’t medically necessary
› Experimental, investigational or unproven services
› Services for an injury or illness that occurs while working for pay or profit, including services covered by workers’ compensation benefits
› Cosmetic services
› Dental care, unless due to accidental injury to sound natural teeth
› Reversal of sterilization procedures
› Genetic screenings
› Custodial and other non-skilled services
› Weight-loss programs
› Telephone, email and internet consultations in the absence of a specific benefit
› Acupuncture
› Obesity surgery and services
› Eyeglass lenses and frames, contact lenses and surgical vision correction

If your employer offers prescription drug coverage through Cigna, your plan doesn’t cover all medications. For example, over-the-counter medicines (which are available without a prescription) and weight loss medications are typically not covered. Not all plans are the same, but, in general, to be eligible for coverage, a medication must be approved by the U.S. Food and Drug Administration (FDA), prescribed by a health care provider, purchased from a licensed pharmacy and medically necessary. If your plan covers certain prescription medications at no cost-share to you, your plan may require you to use an in-network pharmacy to fill the prescription. If you use a pharmacy that isn’t in your plan’s network, your prescription may not be covered, or reimbursement may be limited by your plan’s copay, coinsurance or deductible requirements.

These services may not be covered under your medical plan. However, you may be able to pay for them using your health account (for example, HRA, HSA or FSA) if you have one, and if permitted under applicable federal tax regulations.

1. This is a summary only and your plan’s actual terms may vary. For a complete list of both covered and non-covered services, including benefits required by your state, please see your employer’s insurance certificate or summary plan description – the official plan document. If there are any differences between the information in this brochure and the plan document, the information in the plan document takes precedence.
Discrimination is against the law

Medical coverage

Cigna complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex. Cigna does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

Cigna:

› Provides free aids and services to people with disabilities to communicate effectively with us, such as:
  - Qualified sign language interpreters

IMPORTANT NOTICE SPECIAL ENROLLMENT REQUIREMENTS

Here is important information you should read before you enroll. If you have any questions about this information, please contact HR Representative or send an email to benefits@wesleyan.edu.

If you are declining enrollment.
If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if:

› You or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage). If the other coverage is COBRA continuation coverage, you and your dependents must complete your entire COBRA coverage period before you can enroll in this plan, even if your former employer ceases contributions toward the COBRA coverage.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Effective April 1, 2009 or later, if you or your dependents lose eligibility for state Medicaid or Children’s Health Insurance Program (CHIP) coverage, or become eligible for assistance with group health plan premium payment under a state Medicaid or CHIP plan, you may be able to enroll yourself and your dependents. However, you must request enrollment within 60 days after the state Medicaid or CHIP coverage ends or you are determined eligible for premium assistance. To request special enrollment or obtain more information, call our Customer Service Team at 800.Cigna24 (800.244.6224).

Other late entrants.
If you decide not to enroll in this plan now, then want to enroll later, you must qualify for special enrollment. If you do not qualify for special enrollment, you may have to wait until an open enrollment period, or you may not be able to enroll, depending on the terms and conditions of your health plan. Please contact your plan administrator for more information.

Women’s Health and Cancer Rights Act (WHCRA).
If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

› All stages of reconstruction of the breast on which the mastectomy was performed
› Surgery and reconstruction of the other breast to produce a symmetrical appearance
› Prostheses
› Treatment of physical complications of the mastectomy, including lymphedema

These benefits will be provided subject to the same deductibles and coinsurance or copays applicable to other medical and surgical benefits provided under this plan, as shown in the Summary of Benefits. If you would like more information on WHCRA benefits, call our Customer Service Team at 800.Cigna24 (800.244.6224).
## MAKE AN ENROLLMENT CHECKLIST

This is one of the most important decisions you’ll make this year. If you have questions, we’re here to help.

**Please submit your enrollment choice by 11/15/2022.**

---

**Before you decide, take these steps to learn more about your health plan— and your health.**

- Think about your health history and health care needs. How much do you spend, on average, for health care? How might that change in the upcoming year?

- Check the online provider directory on [Cigna.com](https://www.cigna.com) to see if your health care provider participates in our network.

- Review your Summary of Benefits for specific plan details.

- See the medications on your plan’s drug list online at [Cigna.com/PDL](https://www.cigna.com/PDL) or [myCigna.com](https://www.mycigna.com).

- Look to see if you can earn incentives for taking certain actions to improve your health.

- Check IRS contribution limits – and your account for any employer contributions – before enrolling in your HSA or HRA.
Health care reform: Meeting the requirements

Coverage under your employer-sponsored health plan is considered “minimum essential coverage” under the Affordable Care Act. The individual mandate was effectively repealed beginning Jan. 1, 2019, when the penalty was zeroed out; however, Americans will still need to report health coverage during the IRS tax season.¹

Each year, Cigna, or your employer, will mail you an IRS Form 1095 confirming the coverage you were offered and any coverage you and any dependents may have had during the prior calendar year. The form should be kept with your tax records for audit purposes and not filed with your income tax return.

¹ Health care reform information last updated in March 2019: With a permanent repeal of the individual mandate, it is possible reporting requirements may change. Please check InformedOnReform.com for any updates.
Personal guidance for better health and savings.

Cigna One Guide® personal guides can help you make informed choices and get the most from your plan. It’s our highest level of support that combines the personal touch of live service with tools and resources you can access through the web, an app or an online chat feature.

During enrollment, a Cigna One Guide representative is just a call away to help you:
› Easily understand the basics of health coverage.
› Identify the types of health plans available to you to help you choose the one that best meets the needs of you and your family.
› Check if your doctors are in-network to help you avoid unnecessary costs.
› Get answers on any other questions you may have about the plans or provider networks available to you.

After enrollment, the support continues with personalized assistance to help you:
› Resolve health care issues.
› Save time and money.
› Get the most out of your plan.
› Find the right hospitals, and other health care providers in your plan’s network.
› Get cost estimates.
› Understand your bills.
› Navigate the health care system.

Get it all in the way that’s most convenient for you.

**How to use your Cigna Vision Benefits**

(Please be aware that the Cigna Vision network is different from the networks supporting our health/medical plans).

1. Finding a doctor
There are three ways to find a quality eye doctor in your area:

2. Don’t have access to myCigna.com? Go to Cigna.com, top of the page select “Find A Doctor, Dentist or Facility”, click on Cigna Vision Directory, under Additional Resources.
3. Prefer the phone? Call the toll-free number found on your Cigna insurance card and talk with a Cigna Vision customer service representative.

2. Schedule an appointment
Identify yourself as a Cigna Vision customer when scheduling an appointment. Present your Cigna or Cigna Vision ID card at the time of your appointment, which will quickly assist the doctor’s office with accessing your plan details and verifying your eligibility.

3. Out-of-network plan reimbursement

How to use your Cigna Vision Benefits
Send a completed Cigna Vision claim form and itemized receipt to: Cigna Vision, Claims Department: PO Box 385018, Birmingham, AL 35238-5018

To get a Cigna Vision claim form:
• Go to Cigna.com and go to Forms, Vision Forms
• Go to myCigna.com and go to your vision coverage page

Cigna Vision will pay for covered expenses within ten business days of receiving the completed claim form and itemized receipt.

Benefits are underwritten or administered by Connecticut General Life Insurance Company or Cigna Health and Life Insurance Company. Read your plan carefully – this benefit summary provides a very brief description of the important features of your plans. This is not the insurance contract. Your full rights and benefits are expressed in the actual plan documents that are available to you upon request or a copy of the Vision Outline of Coverage is available and can be downloaded at Health Insurance & Medical Forms for Customers | Cigna under Vision Forms. Participating providers are independent contractors solely responsible for your routine vision examinations and products.

All Cigna products and services are provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc. Healthy Rewards® is a discount program, not an insured benefit.
DISCRIMINATION IS AGAINST THE LAW

Vision coverage

Cigna complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Cigna does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

Cigna:
- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
  - Qualified sign language interpreters
  - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
  - Qualified interpreters
  - Information written in other languages

If you need these services, contact customer service at the toll-free number shown on your ID card, and ask a Customer Service Associate for assistance.

If you believe that Cigna has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance by sending an email to ACA Grievance@Cigna.com or by writing to the following address:
