Cardinal Fit Motivate Me Points Program
Cardinal Fit Motivate Me Points Program

The Cardinal Fit Motivate Me Points Program is a great way for you and your spouse or domestic partner to get motivated to take positive steps toward a healthier life. You can earn points for eating healthy, staying active and visiting your healthcare providers annually.

- Employee and spouse/domestic partner can earn up to $150/150 points each on a semi-annual basis (maximum annual points 300)
- Record your activities in WesPortal - My Information - Wellness Points
- Payments paid in January and July - taxable benefit
To begin earning points click 'Report' for the activity you have completed. For more information about this program go to the Wellness Website.

Last day to report is 07/14/2020

**Adult Fitness Program**

---

**Class Descriptions**

**Zumba - Casey**
Zumba takes the “work” out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Once the Latin and World rhythms take over, you will see why Zumba Fitness classes are often called exercise in disguise.

**Vinyasa Yoga - Francesca**
In All Levels Vinyasa Yoga class you will practice a dynamic flow creating a union of mind, body and soul. You can expect to learn Traditional Sun Salutations, emphasis on proper alignment, creative movement from posture to posture, building strength, core engagement, balance and holding poses to help create or deepen flexibility and breath. Modifications are always given along with the option to challenge yourself further. In this class you are encouraged to choose your own pace and just go with the flow. A yoga mat is required. Any other yoga props, blocks and straps are recommended but optional. This is an all levels class so beginners are always welcome!

**Gentle Restorative Yoga - Laurie**
This well-rounded yoga class focuses on alignment and anatomy for a safe yoga practice. It will address lower back, shoulders, neck and other vulnerable areas prone to injury.

**Core Strength & Stretch Yoga - Sue**
Emphasis on core strength helps keep you safe, while challenging your body to stay strong. Incorporating a beautiful yoga flow that stretches the body as your strength builds.

**HIIT - Anastassia**
HIIT, or high-intensity interval training, is a training technique in which you give all-out, one hundred percent effort through quick, intense bursts of exercise, followed by short, sometimes active, recovery periods.

**Sweat & Surrender Yoga - Francesca**
A quicker paced Vinyasa to get the body aligned and awakened for about 20 minutes. Then 20 minutes of restorative yin postures and complete relaxation (possibly essential oil assists at the end) to cool and calm the body and mind for a blissful savasana (final relaxation pose).

**Tai Chi - Tom**
Beginners and intermediate level Tai Chi participants will find this ancient mind/body art class to be relaxing and invigorating. Tom teaches an effective method to improve balance, agility and coordination in healthy and functional ways that promise to enhance our everyday activities. Please wear loose, comfortable clothing.

**Total Fitness - Sue**
Toning your entire body! Learn ways to burn muscle and burn fat. Meeting in the fitness center.

**Boot Camp - Ngozi**
Each class begins with stretching and a cardiovascular warm-up. Your workout will include a variety of exercises meant to challenge you in a way that you would likely not challenge yourself independently. This might include push-ups, burpees, squats, lunges, and various forms of plyometric and interval training. Since no two classes are ever the same, your body is constantly being challenged, maximizing results!
