Dear Transfer Students in the Wesleyan Class of 2022,

The College of Social Studies (CSS) is a rigorous, interdisciplinary major focusing on History, Government, Economics, and Social Theory. Founded in 1959, the CSS is reading and writing intensive, and encourages intellectual independence with weekly essays, small group tutorials, and a vibrant intellectual and social environment.

If you are an incoming Sophomore Transfer Student and are interested in joining the CSS, you should know that we might have some spaces open up over the summer.

Following a summer break, the CSS Office has now reopened.

The CSS Application form for Incoming Sophomore Transfer Students will be posted on the CSS website at http://www.wesleyan.edu/css/applying/application.html on Thursday, August 1st, and will be available until Thursday, August 15th. Applications should be emailed to Martha Crebbin at mcrebbin@wesleyan.edu. The Application Deadline is Thursday, August 15th.

You can learn more about the CSS by looking at our webpage at http://www.wesleyan.edu/css/.

In the meantime, if you have questions, email Professor Cecilia Miller, CSS Chair, at cmiller@wesleyan.edu.

Best wishes.

Yours,
Cecilia Miller, CSS Chair
and
Martha Crebbin, CSS Administrative Assistant
