WHAT TO DO AFTER SUBMITTING A REQUEST TO DECLARE THE PSYCHOLOGY MAJOR

BELLOW IS THE EMAIL SENT BY THE REGISTRAR’S OFFICE ONCE A MAJOR REQUEST IS SUBMITTED:
WITHIN 1 WEEK OF APPLYING THROUGH WESPORTAL, YOU MUST EMAIL THE DEPARTMENT’S ADMINISTRATIVE ASSISTANT, CATHY RACE, WITH THE REQUIRED 2 DOCUMENTS, OR YOUR REQUEST WILL BE DENIED AND YOU WILL NEED TO REAPPLY.

Dear Student,

Thank you for your interest in pursuing a major in Psychology.

BASIC REQUIREMENTS TO DECLARE PSYCHOLOGY MAJOR:
If you wish to declare a major in Psychology, you should prepare as early as possible because declaration must be done during the second semester of the sophomore year. Psychology does not admit students to the major after the end of the sophomore year semester! To be admitted, you need to have completed several major-related requirements by the end of the sophomore year (i.e., at the time of admission):

(1) You need to have taken two full-credit courses in the field of Psychology at Wesleyan;
(2) you need to have completed the Introductory Psychology (or a replacement breadth course that will allow you to use an AP or IB credit in place of Introductory Psychology), Research Methods, and Statistics requirements for the major; and
(3) you need to have fulfilled the University’s Stage I General Education expectations.

NOT YET FINISHED WITH THE BASIC REQUIREMENTS TO DECLARE THE MAJOR?
If you are enrolled in courses needed to complete the requirements to declare the major during the second term of your sophomore year, you should still go through the process of requesting to declare the major with the department; depending on your situation, we might not formally admit you until the end of the term once you have successfully completed the courses. If we cannot admit you immediately, you should either declare a second major or submit a deferral of major declaration form (see Student Affairs website) so that you are covered in the event that you are unable to successfully complete the declaration requirements for Psychology. Therefore, it’s important that you 1) submit a request through your WesPortal, and 2) email Cathy Race your paperwork to hold until you complete the requirements, otherwise you may jeopardize getting into the major.

ASSIGNED ADVISOR
Cathy Race will assign an advisor. Your advisor will be entered in your WesPortal AFTER the Major Declaration has ended, over spring break. If you have made a special arrangement with a faculty member, please let her know and ask the faculty member to send her an email. Please let her know if you have a preference for an advisor. She will try to accommodate requests, but she has to equally divide majors among faculty.

Remember all faculty advise equally to guide students with course selections and course approvals. Regarding psychology interests and questions, students are always welcome to meet with any faculty member during their office hours or at an arranged time.

If your advisor is on a sabbatical or leave, you will be temporarily reassigned during that period. The faculty’s advising loads are periodically reviewed and at times some students may be permanently reassigned to equally divide majors among faculty.
