**Housing Insecurity**

*What you should do*

**TRADITIONAL**

- **Participate in Housing Selection** *(application-based or General Room Selection)*
- **Move into summer housing**
- **You will move into your housing for the next academic year once it’s available**
- **Over winter break, you may need to move into temporary on-campus housing**

**LONG-TERM**

- **Petition to move into a long term housing unit** *(Woodframe/Apt)*
  - by the time spring break begins
- **You will be notified of when during the summer you can move into your long-term housing unit!**
- **You can then stay in that housing for the duration of your time at Wesleyan**
  - If maintenance must be performed, you will be provided temporary housing

**In January, ResLife will send you an email to check in!**
