PUBLICITY AND PHOTO RELEASE FORM

The Wesleyan Upward Bound Math Science Program is making a concentrated effort to promote the positive activities, honors, and work of our staff and students. This includes working with local newspapers, radio, and television stations and developing our own publications. These publications include information, likenesses, and images, which may appear on the University web site and social media accounts, as well as in other publications.

As we go about this project, there will be opportunities for various students to be interviewed and/or photographed and **identified by name and grade or school**. However, we understand that some parents may request that we do not identify their child(ren). Please fill out the form below to inform us of your wishes regarding publicity. **Please note, however, that your child's image or likeness may appear in occasional candid photos without any type of name identification and the use of these candid photos of your child is permissible.**
