Middletown Cash can also be used at the following on campus locations at the USDA N University Center 1st floor/basement- Cardinal Technology Center, Wesleyan Station, and vending machines at both USDA N and Olin Library; Espwesso Café at Albritton, R J Julia Bookstore, and in various dorms for both laundry and vending machines. Middletown Cash can also be used at many downtown Middletown merchants. Please visit the WesCard website at [http://wesleyan.edu/wescard/middletowncash/merchants](http://wesleyan.edu/wescard/middletowncash/merchants) frequently for a complete listing of these merchants and to check announcements for new merchant updates.

9. **If I lose my ID, what needs to be done?** Go to WesPortal/Offices + Services/WesCard/, click on eAccounts, sign in, then click on Card Services. Click on Deactivate Card to deactivate it and the card will be frozen so it will not be able to be used. If you find your card, please come to the WesCard Office during normal business hours to have it reactivated for your use again. You are responsible for all usage on your WesCard. On weekends, please go to the office of Public Safety to obtain the above temporary items.

10. **How do I properly care for my ID?** Do not bend, crack or punch a hole in your ID as this will cause it to stop letting you into your dorm. You will need to get a replacement ID card at the WesCard Office for the damaged card at a cost of $20.00 that will be billed to your student account.
